WANTED Technologies Welcomes *The Columbus Dispatch* to its Client Roster

Montreal, May 1st, 2007 – New media intelligence provider WANTED Technologies Corporation (TSX: WAN) announces today that *The Columbus Dispatch* has selected WANTED as a provider of recruitment advertising sales solutions.

“This is a strategic move for us as we look to increase our market penetration and offer advertising solutions that best meet the needs of our local employers,” says Jenny Willis, online classified manager at *The Dispatch*. “We are excited to bring WANTED Technologies’ tools on board to help our sales teams sell more effectively.”

Servicing central Ohio, *The Columbus Dispatch* will integrate WANTED’s full suite of employment advertising solutions in its classified sales department. Utilizing business leads to determine which employers are hiring, live dashboards of online competitive advertising activity and market intelligence reports, the newspaper intends to increase its recruitment advertising revenue.

About *The Columbus Dispatch*
